FOUNDATION

Cancer Support Groups

West Cancer Foundation is committed to supporting those facing cancer in our community. We are proud to be able to partner with other organizations to ensure that cancer patients and their families have the resources and support they need. Below are a few resources to provide support and assistance when facing cancer.

To be added to our list of community resources, please contact us.

American Cancer Society's Harrah's Hope Lodge	American Cancer Society's Harrah's Hope Lodge	901-524-5500	The American Cancer Society Hope Lodge Program provides a free home away from home to cancer patients and their caregivers who are traveling to seek treatment. More than just a roof over their heads, it is a nurturing community that helps patients access the care they need. Patients staying at a Hope Lodge must be in active cancer treatment and reside more than 40 miles away from their cancer treatment center.
Facing cancer isn't easy, but LivingWith™ may help	LivingWith™		LivingWith™ is a free app developed by Pfizer Oncology for people living with cancer and those who love them. Designed to help you connect with loved ones, ask for the support you need, remember important information from doctors' visits and stay organized, all in one place.

Name	Website	Phone	Description
Cancer Support Groups	West Cancer Center		No one should have to face cancer alone. There are various support groups in the community to help support you and your loved ones through a cancer journey. There are groups for men, for women, for caregivers, and for specific cancer types. Find the one that is right for you.
American Cancer Society Reach to Recovery	Reach To Recovery American Cancer Society	1-800-227-2345	Through our website and mobile app, you can create an online profile and match with a volunteer who has experienced a similar type of breast cancer, stage, and treatment. You can also choose how you want to connect with a volunteer – through online chat, a phone call, or exchanging messages.
Imerman Angels	Imerman Angels	866-463-7626	We connect cancer fighters, survivors, previvors and caregivers to Mentor Angels, cancer confidantes with similar stories and experiences. Our unique matching process is done by real people, not a system with an algorithm.
Young Survival Coalition	Young Adults Facing Breast Cancer Together Young Survival Coalition Home	877-972-1011	Young Survival Coalition (YSC) strengthens the community, addresses the unique needs, amplifies the voice and improves the quality of life of young adults affected by breast cancer, locally, nationally and internationally.
Living Beyond Breast Cancer Helpline	Breast cancer resources, real stories, and support you need LBBC	888-793-9355	Living Beyond Breast Cancer is a national nonprofit that connects people with trusted information and a community of support.
